Surge's nemesis, the Metal Master, is out of jail and trying to reconcile with his estranged parents (Blair, Gerard) and tempted to continue a life of crime by Augur (Roberts), archnemesis of the wise Omen (Nichols, Picardo). Augur sends Metal Master to Las Vegas for mysterious crystals. Needing more crime fighting help, Surge activates the artificial intelligence in the Surgemobile (Vilanch, Farnon). Augur emerges from the shadows back in Big City, causing Omen to step into the fray, which alerts The Council, a supervillain cabal bent on world domination. Facing more enemies than ever before, Surge must do whatever it takes to save mankind.

Surge of Power: Revenge of the Sequel will open January 5 in Los Angeles, expand to New York on January 19 and continue nationwide.
