## Surge of Power

### Plot Synopsis

POWERED BY **AMG**

Play an entertaining game of spot the celebrity while laughing along at the campiest superhero adventure since Adam West punched out The Joker. A completely original comic-book-style crime fighter who's not afraid to give his enemies a shocking surprise, Surge of Power is hot on the trail of a maniacal super-villain who will stop at nothing to achieve absolute power. Of course, with a little help from veterans like Lou Ferrigno and Nichelle Nichols, fledgling superhero Surge may have his work cut out for him. ~ Jason Buchanan, All Movie Guide
